

Technical News

We are pleased to announce that our new FT111 cremator has been installed and is in operation at Llanelli. This has provided us with a cost efficient and technically advanced cremator with additional support from the FT customer care centre when required.

We can now accept larger coffins than before and this has already brought in extra funeral services due to the increased capacity.

Staff News

From the beginning of January, Claire Sourbutts has been promoted from Assistant Manager to the position of Crematorium Manager for our site in Llanelli. Claire has been at Llanelli for nearly five years and has worked closely with Kevin Davies during her time with Westerleigh Group. Claire has a wide range of knowledge and is looking forward to taking on new challenges to contribute to the ongoing success at Llanelli.

Charity News

We held our annual Memorial Service on Friday December 14th 2018 and donated the monies raised from metal recycling to a local hospice called Ty Bryngwyn.

They provide palliative care for the community of Carmarthenshire and are the only hospice in the area with in-patient facilities.

They have recently undergone a refurbishment to provide improved facilities for families and are grateful for the support and donations received from the local community.

Regional Manager Kevin Davies is pictured giving the cheque for £3230.40 to the treasurer Mrs Susan Thomas.
